RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice to File Missing Parts of Non-Provisional Application – Filing Date Granted mailed January 18, 2007 (copy attached), it is respectfully submitted that said Notice was issued in error and should be vacated.

A review of the undersigned's file of this application shows that the prior attorney submitted the asserted missing declaration in March 2004. A copy of that submission is attached hereto. Since that submission does not show up in the image file wrapper on private PAIR, it is assumed that the submission has been misfiled within the PTO.

In the event that a fee is still required even though the attachment shows that it was properly charged to a deposition account, authorization to charge the fee to Deposit Account No. 50-2215 is hereby given.

With respect to the request for replacement claims, it is respectfully submitted that requirement is not valid and should be vacated. A review of the pending claims in the image file wrapper shows that the claims are consecutively numbered and the same claim number has not been used more than once.

Dated: January 30, 2007

Respectfully submitted,
